SUMMARY

I'm Corunes Bhatti, a 17-year-old junior web developer currently in my 3rd semester of software engineering at Aptech. I'm passionate about building web applications and recently secured 3rd place in a PHP project competition. I'm actively seeking internship opportunities to further hone my skills and gain real-world experience in the web development field. My journey in web development is just beginning, and I'm eager to continue learning and growing in this dynamic and creative field.
